NOTE: FTS System requires 3lbs of push pressure to slide.

Bypassing FTS:

The Flexible Track System (FTS) Room Dividers and Closet doors are our most dynamic door system capable of accommodating almost any need. Mounted to a header (top mount) or the wall (surface mount,) the system comes in a variety of finishes and panel designs. From room dividers and closets doors to office partitions and work stations, the FTS has countless configurations for any interior environment.
